Baseball at Livermore—Bicyclists, Tourists, Weather, etc.

(Copyright, 1888, by the California Associated Press.)

LIVERMORE, February 26th.—The baseball game today between the Jones Bros. and the Livermore team, was a very close one, resulting in a win for the Jones Bros. The score was 13 to 10.

A party of four wheelmen of the Amateur Bicycle Club of San Francisco, made the run from Oakland to Livermore to-day in four hours, which was good time, considering the condition of the roads.

The weather is warm and pleasant, the thermometer registering at noon 75°.

A large crowd of tourists is visiting Livermore to-day's train.

**SERIOUS ACCIDENT.**

A Fire-Engine Driver Thrown from His Seat and Terribly Injured.

SAN FRANCISCO, February 26th.—(Special.)—A fire broke out in the basement of the two-story frame house at 1819 O street to-day. The building was owned by Mrs. C. Preston, and occupied by Edward Preston. The fire is supposed to have been caused by a spark from a stove in the cellar.

On the way to the fire John Brophy, of No. 15, engaged, was thrown from his seat and fell under the horse's heels. In falling he struck the back of his head, and when picked up he was insensible. Brophy was removed to his home, and it was found by a physician that he had sustained a fracture of two ribs, an injury to the spine, and a severe wound at the back of the head. It is not thought he will recover.

**THE PEAK BELT.**

Increasing Demand for Nevada County Fruit Lands.

NEVADA CITY, February 26th.—The company of capitalists who recently purchased of the Nevada Mining Company, the Nevada County Fruit Lands, have been in the city, situated five miles south of Grass Valley, and heretofore known as a part of the Nevada tract, are preparing to offer the same in subdivisions of from twenty to thirty acres each for colonization purposes.

The Nevada Fruit Lands, which have arrived here during the past few months, are writing to their former home, glowing accounts of the prospects and the numerous meritorious water of the Bartlett-peak belt.

**SETTLED AT LAST.**

Redding to Remain the County Seat of Shasta.

REDDING, February 26th.—In November, 1886, over two-thirds of the voters of this county decided in favor of removing the county seat from Shasta to Redding. The removal was, however, obstructed, and three trials have been held, one in the Superior Court of this county and two in the District Court of the United States, all of which have resulted in a verdict in favor of Redding. The case was then carried to the Supreme Court and late yesterday the news came from that tribunal that the judgment of the District Court had been affirmed. Only three years have thus far been required to settle the question, which has been a long and tedious one.

**THE MEXICAN INVASION.**

Troops to be Sent From Mexico to Repel the Guatemalans.

GUAYMAS (MEX.), February 26th.—Great excitement prevails here over the news that the Mexican Government has ordered the steamer Alejandro for two trips to take troops from Mazatlan to San Pedro, where the Guatemalan insurgents are invading Mexican soil.

The steamer Topeka is not expected to arrive here until the latter part of the month, and this region has been left without coast steamers for two months.

For this reason the prices of sugar, soap, lard and other national products, which come by steamers from Manzanillo, have been raised.

The only mail must come therefore from the States.

The troops of war, Democratic, Mexico and other national troops from Acapulco and other ports.

The impression here is that Guatemala will not be easily checked.
